For full ticket details, discounts, and workshop information, **visit IDCC27 Registration website.**

1.2 Social Events

This year for IDCC27 we will be running two in-person social events in addition to the regular conference:

- A pre-conference **Drinks Reception** will be held on Tuesday 9 February 2027, from 16:00 – 19:00 (UTC+0) at the ISCTE. Tickets are included with in-person attendance tickets, spaces are limited.
- The **Conference Dinner** will take place at the **Museu da Cerveja** (Beer Museum) on Wednesday 10 February 2027, from 19:00 to 22:00 (UTC+0). Dinner ticket includes 3-course meal, drinks, museum tour and entertainment.

You can read more about the social events on our website.

Please make sure you book your ticket for the social events at the point of registration (*through Eventbrite or Invoice request*) as places for both events are limited.

1.3 Workshops

The conference will be complemented by a rich programme of community-led workshops on **Tuesday, 9 February and Friday, 12 February 2027.** All workshops will be held in person at the ISCTE. Workshop spaces are limited and must be booked separately from the main conference ticket.

The workshop registration will open shortly**.**

2. Conference programme

The full IDCC27 programme is available **via Conftool Programme Page** . You can also see a full **list of accepted submissions**.

2.1 Your session

All demos are scheduled for presentation on Wednesday, 10 February 2027 during **Poster and Demo presentation sessions 1 and 2.**

This session is an opportunity for you to invite attendants to visit your demo stand by providing a teaser in 60 seconds. We have emailed you details about the session including the timing, the presenting author's name and presentation order. If the presenting author changes, please e-mail us at idcc@ed.ac.uk.

All presenters will have allocated seating at the front of the room. We kindly ask you to take your allocated seat upon arrival prior your session. This will ensure smooth delivery of this session.

You will have a maximum of 60 seconds to present your poster; there will be a timer visible to you. Please adhere to the time limit, as this is a rapid presentation session.

We will prepare a slide deck with graphics (posters) for all presenters for the main screen. If you wish to have any imagery/graphics for your demo, please upload an A4 pdf file to the ConfTool platform by **24 January 2027.** This is optional.

We will run a Poster and Demo Exhibition session in the afternoon on 10 February, where you'll get an opportunity to showcase your demo to other attendees.

3. Demo space

You will have a space of one table and monitor at the exhibition. Please bring a laptop to connect to the monitor to showcase your demo. If you request an alternative set-up, please email us at idcc@dcc.ac.uk to discuss this.

4. Promote Your Session at IDCC27

We encourage all presenters to help spread the word about IDCC27 by sharing your participation on social media!

To make this easy, we've created a ready-to-use **"I'm presenting at IDCC27"** graphic that you can copy and save from our Useful Information webpage and share on your social media.

If you'd like to personalise it by adding your **photo, name, and presentation title**, you can also access our editable **Canva template** (*please note a Canva account will be required to edit and download the templates*).

When posting, please tag the Digital Curation Centre (LinkedIn, BlueSky and/or Twitter) and use the hashtag **#IDCC27** so we can celebrate and share your post with the wider community.

Thank you for helping us build excitement for IDCC27 - your voice makes a real difference in bringing the digital curation community together!

If you have any questions, please contact us by emailing idcc@dcc.ac.uk.

Looking forward to welcoming you in Lisbon!
