# Current integration (or lack of)

- Automated feed from RMS into DMPT (project name)
- Estimate of required storage sent to RDS team (capacity planning)
- DMP record ID manually inserted into RMS project's records
- DMP record ID manually inserted into grant awards processes
- Successfully funded projects report manually sent to RDM service team
- Staff exit policy mandates change of DMP ownership

# What we'd like it to do

- ⦿ Integrate with CRIS:
  - Projects Module (lifecycle) – DMP needs to be revisited and updated
  - Data Catalogue – internal link back to DMPT
  - Maintain data ownership
- ⦿ Enforcement of data security considerations
- ⦿ Grant awards – dependant on DMP reference
- ⦿ Provide feed from [re3data.org](https://re3data.org)

The screenshot shows the 'Create a new plan' page on the DMPOnline website. At the top left is the 'DMP ONLINE' logo. To the right are navigation buttons: 'View plans', 'Create plan', 'About', 'Roadmap', and 'Help'. The main heading is 'Create a new plan'. Below it, there is instructional text: 'Please select from the following drop-downs so we can determine what questions and guidance should be displayed in your plan. If you aren't responding to specific requirements from a funder or an institution, [select here to write a generic DMP](#) based on the most common themes.'

The form contains three sections:

- Funder selection:** A dropdown menu labeled 'Funder' with 'Funder' selected. Below it is a text input field for 'Funder name'. A link '[Not applicable/not listed.](#)' is provided.
- Organisation selection:** A dropdown menu labeled 'University of Northampton' with 'University of Northampton' selected. Below it is a text input field. A link '[Not applicable/not listed.](#)' is provided.
- Guidance sources:** A section titled 'Tick to select any other sources of guidance you wish to see.' with a checked checkbox for 'DCC guidance'.

A 'Create plan' button is located at the bottom left of the form area.
