15.00	Report back from groups / discussion	Chair: Martin Donnelly (DCC)
15.30	Summary / parting remarks	
16.00	Ends	

# Keynote presentation

Professor Magnus Rattray

Professor of Computational & Systems Biology  
and Director of the Data Science Institute,  
University of Manchester

# Breakout groups

Topic	Facilitator (s)	Rapporteur / blogger	Room
Supporting resources for RDM: toolkits and workflows	Andrea Chiarelli (Research Consulting)	Andrea Chiarelli	Cavendish
Integrating data systems and catalogues	Paul Jeffreys (ICR)	Judith Carr (Liverpool)	Marquis
Impact and metrics: reporting and evidencing success	Jez Cope (Sheffield) and Barbara Nasto (Medicins Sans Frontieres)	Jez Cope	Flowers

# And finally...

## ➤ Outputs and next steps

- Slides (and other materials) will be uploaded to the DCC website
- Twitter archive – will tweet link to this next week (with #rdmf18 hashtag)
- Blog posts, breakout group reports...
- Join (and contribute to) the RDMF social space: [www.dcc.ac.uk/rdmf/](http://www.dcc.ac.uk/rdmf/)

## ➤ Feedback forms!

## ➤ RDMF19

- Details TBC – watch for announcements
- Feel free to suggest future topics via the RDMF social space, Twitter, email or your feedback forms

# Research Data Management Forum 18

UNCERTAINTY > DATA > OPPORTUNITY?

**Thanks, and  
safe home**
